## **WHISTLER** BAROSSA VALLEY

Whistler is a small, family owned and operated business established in the Barossa Valley by the Pfeiffer family in 1999. The winery is now in the hands of fourth generation Grapegrower & Winemaker - Josh Pfeiffer, who learnt his winemaking skills working for the likes of Henschke, Two Hands, Yalumba and Peter Lehmann.

Josh has created a range of exciting wines under his “Next Gen” range that reflect the ability of the Barossa Valley to produce smashable wines at affordable prices. The vineyards have now been converted to organic practices, and the vines have never produced healthier fruit than they are now.

The packaging is eye catching, and the names are fun. Josh says “A lot of people seem to have forgotten that wine is a social beverage, it is designed to be shared, not only at the table, but now also on social media – If the label isn’t Instagramable, you need to change the label.”

*Join us early 2017 for a collaboration with Whistler Wines and Public to produce a paired menu you are unlikely to forget with winemaker Josh guest speaking at the event. Let us know if you are interested in coming.*
